

**Ryan K. Shosted**

*Professor*

*University of Illinois at Urbana-Champaign*

Appointments:

College of Liberal Arts & Sciences

Department of Linguistics (100%)

Department of Spanish and Portuguese (0%)

Program in American Indian Studies (0%)

Program in Translation and Interpreting Studies (0%)

Beckman Institute for Advanced Science and Technology

Artificial Intelligence (Part-time faculty)

Biomedical Imaging Center (Affiliated investigator)

## **I. Personal History and Professional Experience**

### **A. Educational Background**

Brigham Young University; B.A., Linguistics; April 2000

University of California, Berkeley; M.A., Linguistics; May 2003

University of California, Berkeley; Ph.D., Linguistics; December 2006

### **B. List of Academic Positions since Final Degree**

December 2006–August 2007, Post-doctoral researcher, University of California, San Diego

January 2007–June 2007, Lecturer, University of California, San Diego

August 2007–August 2013, Assistant Professor, University of Illinois at Urbana-Champaign

August 2013–Present, Associate Professor, University of Illinois at Urbana-Champaign

July 2015, Visiting Professor, State University of Campinas

### **C. Other Professional Employment**

April 2000–August 2000, Assistant Lecturer, Brigham Young University

### **D. Honors, Recognitions, and Outstanding Achievements**

National Security Education Program (NSEP) Scholarship, United States Department of Defense, 1995  
[Palacký University, Olomouc, Czech Republic]

Student Fulbright Fellowship, United States Department of State / Institute of International Education,  
2000–2001 [Núcleo de Estudos de Línguas Moçambicanas, Eduardo Mondlane University, Maputo,  
Mozambique]

Jacob K. Javits Fellowship, United States Department of Education, 2001–2005

William and Flora Hewlett International Research Travel Grant, 2009

Arnold O. Beckman Award, University of Illinois at Urbana-Champaign, 2009

Arnold O. Beckman Award, University of Illinois at Urbana-Champaign, 2010

Focal Point Award, Graduate College, University of Illinois at Urbana-Champaign, 2010 [T. Loucks (PI),  
C. Shih (co-PI), R. Shosted (co-PI) and M. Hasegawa-Johnson (co-PI)]

Faculty Research Grant, Lemann Institute for Brazilian Studies, University of Illinois at Urbana-  
Champaign, 2011

Humanities Released Time, University of Illinois at Urbana-Champaign, 2011

Faculty Research Grant, Lemann Institute for Brazilian Studies, University of Illinois at Urbana-  
Champaign, 2015 [R. Shosted (PI), E. C. Albano (co-PI)]

### **E. Invited Lectures and Invited Conference Presentations**

#### Invited lectures

[1] Shosted, Ryan. Phonetic impossibility and implausibility. Department of Linguistics, University of  
Alberta. Edmonton, Alberta, Canada. Jan. 19, 2006.

[2] Shosted, Ryan. Adventures in fricative space, Department of Linguistics, Stanford University. Palo  
Alto, California. Mar. 6, 2006.

[3] Shosted, Ryan. Aerodynamics in phonology: The case of nasalized fricatives. Department of  
Linguistics, University of Illinois at Urbana-Champaign. Urbana, Illinois. Dec. 1, 2006.

- [4] Shosted, Ryan. Speech aerodynamics in the phonology lab. Department of Spanish and Portuguese, Indiana University. Bloomington, Indiana. Feb. 28, 2008.
- [5] Shosted, Ryan. Towards an aerodynamic phonology. Museu Paraense Emílio Goeldi. Belém, Pará, Brazil. Apr. 10–12, 2008.
- [6] Shosted, Ryan. The Implosive impulse in Mayan, Department of Linguistics. University of California, San Diego. La Jolla, California. Mar. 2, 2009.
- [7] Shosted, Ryan. On endangered sounds and endangered languages: Why phonetic language documentation still matters. Department of Linguistics, Brigham Young University. Provo, Utah. Mar. 26, 2009.
- [8] Shosted, Ryan. Still breathing? Aerodynamics in phonetics and phonology. Department of Linguistics, University of Chicago. Chicago, Illinois. May 7, 2009.
- [9] Shosted, Ryan. Oro-pharyngeal characteristics of Brazilian Portuguese nasal vowels. Institute of Electronics and Telematics Engineering of Aveiro, University of Aveiro. Aveiro, Portugal. Oct. 11, 2011.
- [10] Shosted, Ryan. The oral production of vowel nasality: Evidence from Hindi. GIPSA-Lab, Université Stendhal-Grenoble 3. Grenoble, France. Oct. 19, 2011.
- [11] Shosted, Ryan. Getting what you pay for: Higher dimensional analyses of rtMRI speech production data. Haskins Laboratories. New Haven, Connecticut. Apr. 3, 2014.
- [12] Shosted, Ryan. Imaging speech and imagining the possibilities. KTH | Royal Institute of Technology. Stockholm, Sweden. May 22, 2015.
- [13] Shosted, Ryan. Imaging speech and imagining the possibilities. Stockholm University. Stockholm, Sweden. May 27, 2015.
- [14] Shosted, Ryan. The articulation of nasal monophthongs in Brazilian Portuguese. State University of Campinas. Campinas, Brazil. Aug. 3, 2016.
- [15] Shosted, Ryan. Linguistic structures of Q’anjob’al. Millikin University. Decatur, Illinois. Oct. 4, 2016.

Invited conference presentations

- [1] Shosted, Ryan. Aug. 9, 2007. Investigating the aerodynamics of nasalized fricatives. XVIth International Congress of Phonetic Sciences. Saarbrücken, Germany.
- [2] Shosted, Ryan. Aug. 17, 2011. An EMA-aerodynamic approach to the velic opening hypothesis. Special Session on Aerodynamics in Phonology. XVIIth International Congress of Phonetic Sciences. Hong Kong, China.
- [3] Shosted, Ryan. Oct. 25, 2012. A descriptive approach to the measurement of nasalization. 41st New Ways of Analyzing Variation (NWAY) Conference. Bloomington, Indiana.

- [4] Shosted, Ryan. Apr. 7, 2013. On studying the understudied: Phonetic analyses of minority languages in Central America. Illinois Language and Linguistics Society 5. Urbana, Illinois.
- [5] Shosted, Ryan. Apr. 4, 2014. Retroflexion in Q'anjob'al obstruents. Workshop on Sound Systems of Mexico and Central America. New Haven, Connecticut.
- [6] Shosted, Ryan. Feb. 18, 2014. rtMRI and discriminant analysis of principal components: A case study from Beijing Mandarin. USC Speech MRI Summit. Los Angeles, California.
- [7] Fu, Maojing, Bo Zhao, Christopher Carignan, Ryan K. Shosted, Jamie L. Perry, David P. Kuehn, Zhi-Pei Liang, and Bradley P. Sutton. Feb. 19, 2014. High-resolution, full-vocal-tract dynamic speech imaging. USC Speech MRI Summit. Los Angeles, California.
- [8] Shosted, Ryan. Aug. 19, 2014. Increasing the dimensionality in articulatory phonetics (and what to do next): rtMRI of speech production data. First International DINAFON Meeting. Campinas, Brazil.
- [9] Shosted, Ryan. Dec. 5, 2017. Articulatory insights on the evolution of nasal vowels in Slavic. 174th Meeting of the Acoustical Society of America. New Orleans, Louisiana.
- [10] Rong, Panying, David P. Kuehn, and Ryan Shosted. Dec. 5, 2017. Using oropharyngeal articulation to compensate for nasalization: Acoustic and perceptual evidence. 174th Meeting of the Acoustical Society of America. New Orleans, Louisiana.

#### **F. Offices Held in Professional Societies**

Committee on Endangered Languages and Their Preservation, Linguistic Society of America, 2008–2011  
 Special Interest Group on Phonetic Field Work, Linguistic Society of America, 2009–2013

#### **G. Editorships of Journals or Other Learned Publications**

Editorial Board member, *Journal of the International Phonetic Association*, 2011–Present.

Editorial Board member, *Gradus – Brazilian Journal of Laboratory Phonology*, 2016–Present.

Editorial Board member, *Maya America*, 2018–Present.

#### **H. Grants Received**

Aerodynamic Phonology. Ryan Shosted, University of Illinois Campus Research Board (08057), 2007–2009, \$21,889.

Documentation of the Q'anjob'al Language. Ryan Shosted, University of Illinois Campus Research Board (08077), 2007–2009, \$14,350.

Faculty Travel Grant. Ryan Shosted, United States Department of Education (Title VI), 2008, \$1,300.

Phonetic documentation of Amazonian languages. Ryan Shosted, University of Illinois Campus Research Board / Arnold O. Beckman Award (09166), 2008–2010, \$7,814.

International Research Travel Grant. Ryan Shosted, William and Flora Hewlett Foundation, 2009, \$2,210.

Instrumental Phonetic Investigation of Spanish and Portuguese. Ryan Shosted (PI) and José-Ignacio Hualde (co-PI), University of Illinois Campus Research Board (10116), 2010–2011, \$22,700.

The Articulation of Hindi Nasal Vowels. Ryan Shosted, University of Illinois Campus Research Board / Arnold O. Beckman Award (10104), 2010–2011, \$6,525.

The Articulation of Nasalized Vowels in Brazilian Portuguese, Ryan Shosted, Lemann Institute for Brazilian Studies, 2011–2012, \$10,605.

Improving Speech Production Skills in Adults with Cochlear Implants: Articulation Control Mechanisms and Intervention. Torrey Loucks (PI) and Ryan Shosted (co-PI), University of Illinois Campus Research Board (11018), 2011–2012, \$26,895.

Speech Production Research Education Initiative. Torrey Loucks (PI), Chilin Shih (co-PI), Ryan Shosted (co-PI), and Mark Hasegawa-Johnson (co-PI), University of Illinois Graduate College Focal Point Award, 2011–2012, \$12,000.

Using oral articulatory adjustment to compensate for hypernasality: A modeling study based on articulatory measures. Ryan Shosted, University of Illinois Campus Research Board Award (11241), 2011–2012, \$9,950.

Doctoral Dissertation Research: Oral articulation of French nasal vowels. Ryan Shosted (PI), Christopher Carignan (co-PI), and Zsuzsanna Fagyal (co-PI), National Science Foundation (BCS-1121780), 2011–2013, \$12,000.

Magnetic resonance imaging of Arabic pharyngeals. Ryan Shosted (PI), Abbas Benmamoun (co-PI), and Brad Sutton (co-PI). University of Illinois Campus Research Board Award (12187), 2012–2013, \$14,670.

Gesture in accented language. Torrey Loucks (PI), Chilin Shih (co-PI), and Ryan Shosted (co-PI). University of Illinois Provost's Social and Behavioral Sciences Research Committee, 2013–2014, \$2,500.

Indigenous languages in diaspora. Jennifer Davis (co-PI) and Ryan Shosted (co-PI). Illinois Program for Research in the Humanities Research Cluster, 2015-2016, \$2,500.

Speech imaging research at UIUC and KTH. INSPIRE: Illinois-Sweden Program for Educational and Research Exchange. Olov Engwall (co-PI) and Ryan Shosted (co-PI), 2015, \$10,000.

Language processing, perception, and production. Ryan Shosted (PI). Equipment Funding Program for Linguistics Research Labs in the School of Literatures, Cultures and Linguistics. University of Illinois Office of the Provost and Office of the Vice Chancellor for Research, 2014, \$141,840 [includes \$70,920 in matching funds from multiple units (The College of Liberal Arts and Sciences; The School of Literatures, Cultures and Linguistics; Linguistics; Spanish and Portuguese; East Asian Languages and Cultures; French and Italian) and individual faculty members (Darren Tanner, Silvina Montrul, James Yoon, Ryan Shosted, and Zsuzsanna Fagyal)].

Examining nasal, oral, and nasalized vowels in Brazilian Portuguese using real-time magnetic resonance imaging. Ryan Shosted (PI) and Brad Sutton (co-PI). University of Illinois Campus Research Board Award (16028), 2015–2016, \$25,931.

The articulation of vowel reduction in Brazilian Portuguese. Ryan Shosted (PI) and Eleonora Cavalcante Albano (co-PI). Lemann Institute for Brazilian Studies Collaborative Research Grant, 2016, \$11,500.

Indigenous languages of Brazil course development. Center for Latin American and Caribbean Studies Faculty Research Grant, 2016, \$550.

Q'anjob'al field methods course development. Center for Latin American and Caribbean Studies Faculty Research Grant, 2016, \$990.

Doctoral Dissertation Research: Articulatory and acoustic patterns in phonemic and phonetic nasalization. Ryan Shosted (PI), Marissa Barlaz (co-PI), and Bradley Sutton (co-PI). National Science Foundation Doctoral Dissertation Research Improvement Grant (BCS-1651197), 2016–2017, \$10,447.

Using atlas-driven imaging for determining variations in velopharyngeal function among children with cleft palate and hypernasal speech. Bradley Sutton (PI), Jonghye Woo (co-PI), Jamie Perry (co-PI), Ryan Shosted (co-Investigator). National Institutes of Health (1R01DE027989-01A1); 2019–2023, \$704,597.

Indigenous Migration from Latin America to Champaign County: Evaluating needs and improving support for Q'anjob'al and other Indigenous Latin American groups in Champaign-Urbana. Julia Albarracin, Kasia Szremksi, Ryan Shosted, and Margarita Teran-Garcia. Migration and Refugees in

Regional and Global Perspective Initiative, International Area Studies and Thematic Programs, University of Illinois at Urbana-Champaign; 2019–2021, \$17,812.

Maya Illinois Initiative. Kasia Szremski (PI), Julia Albarracin, Andrew Orta, Alejandra Seufferheld, Ryan Shosted, Margarita Teran-Garcia (co-PIs). Community + Research Partnership Program, Office of the Vice Chancellor for Research and Innovation, University of Illinois at Urbana-Champaign; 2020–2021, \$20,000 (year one only; two additional years subject to renewal).

## **I. Review Panels**

National Endowment for the Humanities, Digital Start-up Initiative, 2007.

## **II. Publications and Creative Works**

### **A. Doctoral thesis title**

*The Aeroacoustics of Nasalized Fricatives.*

### **B. Books Authored or Co-Authored (in print or accepted)**

Shosted, Ryan. 2009. *The Aeroacoustics of Nasalized Fricatives: An Instrumental study in phonetic typology*. Saarbrücken: VDM Verlag.

### **C. Books Edited or Co-Edited (in print or accepted)**

Bokamba, Eyamba G., Ryan K. Shosted, and Bezza Tesfaw Ayalew (eds.). 2011. *Selected Proceedings of the 40th Annual Conference on African Linguistics*. Somerville, MA: Cascadilla Proceedings Project.

### **D. Chapters in Books (in print or accepted)**

- [1] Shosted, Ryan and José Ignacio Hualde. 2010. The production and provenance of Spanish and Portuguese palatal nasals. In S. Colina, A. Olarrea, and A. Carvalho (eds.), *Romance Linguistics 2009: Selected Papers from the 39th Linguistic Symposium on Romance Languages (LSRL)*, 43–62. Amsterdam: John Benjamins.
- [2] Shosted, Ryan. 2011. Articulatory and acoustic characteristics of fricatives in Changana. In E. G. Bokamba, R. K. Shosted, and B. T. Ayalew (eds.), *Selected Proceedings of the 40th Annual Conference on African Linguistics*, 119–129. Somerville, MA: Cascadilla Proceedings Project.
